

One18

Amphion's One18 studio monitors offer a wide sweet spot and pinpoint-accurate imaged sound. This allows for fast and accurate creative decisions. Whether you are writing music, recording, or mixing, the One18 loudspeakers can be your creative weapon-of-choice. Their perfect translation to any other listening system or environment brings no surprises when auditioning your work outside of your studio. Thanks to their natural tone and balanced frequency response you can enjoy long sessions, with no ear fatigue.
