

Argon0

Argon0 is one of the most natural-sounding compact home speakers in the marketplace. Its advanced acoustic design leads to high level of transparency, allowing you to hear deeper into your favourite recordings. A reference-quality midrange resolution leads to breathtaking clarity - even at low listening levels. Thanks to its small footprint it is best suited to small rooms or desktop setups. As with all Amphions, these loudspeakers are highly adaptable to any interior design, offering a multitude of colour options.
