

# One18X

## Decreased distortion. Improved extension.

One18X is the next evolutionary stage of the revered One18 - our "workhorse" model. With a state-of-the-art tweeter and newly engineered crossover - both further enhancing its clarity, resolution, and transient precision - it delivers even more sonically in translation and sound-stage. Now benefitting from a highly linear, ultra-low distortion tweeter, and delivering unprecedented detail and perfect spatial cues, the One18X not only preserves its previous iconic single-woofer status as a standard for studio nearfield monitors, its raises the sonic benchmark for studios even further.

### Technical specifications

Operating principle	Two-way, passive radiator
Tweeter	25 mm / 1" titanium
Mid / woofer	18 cm / 6½" aluminium
Crossover point	1600 Hz
Impedance	8 Ω
Sensitivity	85 dB @ 2.83V/1m
Frequency response	45 – 55 000 Hz +/-3dB
Power recommendation	100 - 350 W
Measurements (H x W x D)	380 x 191 x 305 mm
Weight	10 kg
