

Two18X

Spatial perfection. Next generation.

Two18X builds upon the strengths of the Two18 - our renowned "flagship" model that has been globally lauded by top engineers for more than a decade. While suited to larger rooms, and carrying a reputation for sublime precision and focus, this dual-woofer monitor's performance-upgrade gives it a significant improvement across its sonic spectrum - yet it preserves the core strengths and characteristics that has placed it in many of the best studios in the world. The Two18X's tweeter and crossover enhancements substantially lift a great monitor to an even higher level.

Technical specifications

Operating principle	Two-way, passive radiators
Tweeter	25mm / 1" titanium
Mid / woofer	18 cm / 6½" aluminium
Crossover point	1600 Hz
Impedance	4 Ω
Sensitivity	89 dB @ 2.83V / 1m
Frequency response	39 - 55 000 Hz +/-3dB
Power recommendation	100 - 350 W
Measurements (H x W x D)	550 x 191 x 305mm
Weight	14 kg
